CENTENNIAL NEWS

Apportionment Drive During Lent:

Perhaps you have heard the quote attributed to John Wesley, the founder of the Methodist movement, that says, "If your heart is as my heart, give me your hand." That spirit of connectedness is a hallmark of the United Methodist Church. Because of this connectional system, did

you know that a portion of every dollar you give to our local church fulfills Centennial's mission to be "followers of Jesus who go out and build loving and just communities?" It is true! Your generous giving helps to respond to emergencies in the United States and internationally, to support higher education, and to provide services locally and throughout Minnesota. We want to keep our long-standing record of paying our apportionments intact in 2022, which comes to \$115 per member for our 962 members. Go here to see videos & learn more: [CLICK HERE](#)

At youth social justice night students learned about poverty, privilege and intersectionality. They participated in a poverty decision making simulation activity, discussed intersectionality, and assembled snack bags for homeless folks in our community, a need specifically requested by the SAP campus for the neighborhood. We made 24 snack bags and ended up with a great amount of donations for the March food share drive at church!
