✝ **Lydia Project Update:** There is now a bin at the Connection Point for the Lydia Project. It has purple yarn and some simple instructions for those who would like to make a scarf for General Conference 2020. Finished scarves can be put in the bin or turned in at the office. We will be getting labels later this month to put on the scarves so be sure to include your name when you turn in your scarf as that is one of the blanks to be filled in. There is a sample hanging on the bin of what worsted yarn feels like using different sized needles to help you decide what size needles to use. Thank you for your help with this project. - Peggy Rhodes
