Habitat for Humanity 2020 Project Update

Due to the Covid-19 viral pandemic, Habitat for Humanity has suspended operations in alignment with Gov. Walz's request. While this is a temporarily disruption, it is unclear to what extent the 2020 building season will be impacted. We will continue to recruit volunteers for this year's project but know that plans may change as state and federal mandates occur. Dates we are seeking volunteers for are: **Construction:** May 18, 19, 20, 21; June 22, 24, 25, 26; Woman's Build - June 15, 16, 17, 19. **Food Service:** May 18-21 and June 22-26. If you have questions or would like to volunteer please contact Jack Griffin – jacklgriffin@hotmail.com. Thank you for your patience and understanding in this unprecedented time of our nation's history.

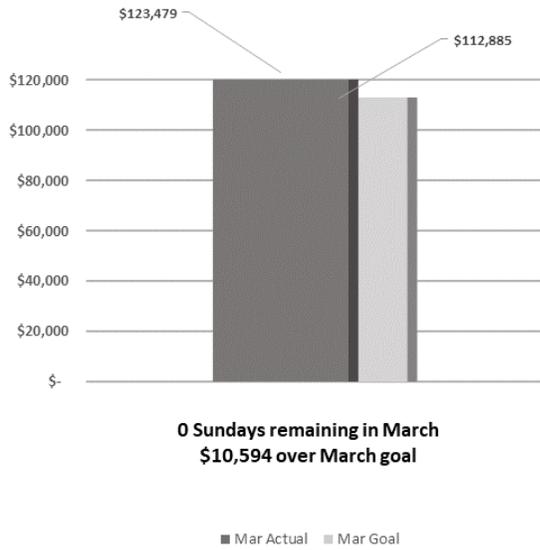

Centennial's Contemplative Garden – Roseville Campus: The garden on the southwest side of the building is built around a labyrinth to walk and pray or just contemplate God's love and peace. On the wall there is a Remembrance Tree where former and present members have their names on a leaf. Many have had committal services there, and placed a small amount of cremains in the garden, and some have planned to do it in the future. If interested, please see the Garden Brochures on the Connection Point reading rack or go to our website.
