## TOP ANNOUNCEMENTS & EVENTS

**The Church Re-Opening Task Force is at work!** We are developing protocol to provide a safe and clean environment for all to return to our Roseville and St. Anthony Park campuses. Before we can open our doors for small groups or eventually for worship, we need to meet the many requirements from the state of Minnesota, the Minnesota United Methodist Conference, and our insurance company Church Mutual. Just a friendly but important reminder that our church buildings are closed except for deliveries, repairs, recording of online worship, and essential functions. We need to develop a COVID-19 Preparedness Plan and file it with the UMC leadership in the area. The plan must include many items, for example:

- cleaning and disinfecting the entire building (when supplies are available)
- posting appropriate signage throughout the building with information on social distancing, handwashing and mask use
- determining appropriate protocols for worship in the sanctuary and for activities in other gathering spaces in the church buildings

**Drive in worship:** This weekend Sunday, July 12 | 10:00-10:35am | The St. Anthony Park Campus worship team is hosting a drive in worship service at the Roseville campus parking lot. Tune in to the music and sermon through the car radio! We are also collecting food donations for Keystone Food Shelf, so please bring something to share with the community! Safety restrictions include requesting that all attendants remain in their cars with the windows closed. Church bathrooms will be closed to the public (hence the shortened service time). Can't wait to worship with you all.

**Roseville worship will still be available online through mycircle.tv and YouTube.**

**Book Discussion with Pastors & Responding for Racial Justice in the Twin Cities**—Sign up with Pastor Brian for Fridays at 2:00 (bhacklander@centennialumc.org) or Pastor Whitney for Thursdays at 7:00 (wsheridan@centennialumc.org) as they each offer a book discussion of Robin Diangelo's *White Fragility: Why It's So Hard for White People to Talk about Racism*. As people of faith, we believe that we are called to heal a broken world, and this includes racial justice and donating to help relief efforts. Go to [\[CLICK HERE\]](#). Also see the denomination wide response at umc.org. Thank you!

## CENTENNIAL COMMUNITY ANNOUNCEMENTS

---

**Virtual Small Groups** - We hope all our small groups will continue meeting and connecting with one another virtually. Consider using Zoom or phone calls to stay connected.

- **Zoom:** cloud based service for voice and/or video conference calls, up to 100 people. If your group/class would like to use Zoom, please contact Dennis Webster at [dwebster@centennialumc.org](mailto:dwebster@centennialumc.org) for detailed instructions.
- **Good old fashioned phone calls:** Please remember to check in on the members of your group (& others). See how folks are doing, share your highs and lows, and pray for one another.

### **Altar Flowers:**

The white rose on the altar celebrates the life of Centennial member Marian Geschwind who passed away Saturday June 27, 2020. Marian was buried at Fort Snelling on July 2, 2020.

The white rose on the altar celebrates the life of Margaret Lackey who passed away recently.

**From Pastor Brian:** Thank you for the many cards and remembrances after my father's death June 14th and the service celebrating his life and life eternal June 20th.

**Thank you:** Dear members of Centennial United Methodist Church, My brothers and I would like to thank the members of CUMC for their cards of sympathy after the passing of our mother, Marilyn Johnson. We appreciate the expressions of sympathy and personal messages of how you knew our mom; they were very comforting to us. CUMC was very special to our mom due to all of the great people she knew there, and the groups (Bible Study, Sarah Circle) and various other activities she was involved in. She sure had a lot of wonderful friends at CUMC – she appreciated all of you! We deeply appreciate your kindness and thoughtfulness. With warmest thanks for your thoughts, prayers, kindness and sympathy, The family of Marilyn Johnson.

**School Supplies:** Church and Society is teaming up with Kids in Need Foundation again this year to provide school supplies for those in need. This Foundation serves students and teacher in schools with a population of 70% or more enrolled in the government's free and reduced lunch program. In a recent survey to their network of educators, 95% of respondents indicated that access to basic school supplies resulted in an equitable learning environment for students. No matter where students are learning from, a traditional classroom or the kitchen table, basic school supplies are necessary for education to continue. Due to COVID19, in lieu of actual school items, the Church and Society Committee is collecting donations only this year for the Kids In Need Foundation. Please send your donation to Centennial United Methodist Church with School Tools on the memo line. Thank you for any help you can give to this program.

**We are still doing Church!** Here's just a glimpse of what is happening in these stay-at-home times at Centennial:

- Be watching for NEW initiatives...and keep checking in with each other one-on-one and in your circles, small groups, and classes!

**Giving Remotely:** We continue to value your gifts during this time, which allow staff and ministry to continue on in creative ways. There are multiple ways to give while you are away from the church building. Go to the website at <http://centennialumc.org/index.php/go-serve/giving>. And yes, we are happy to receive your contribution via the postal service. Our address is Centennial UMC, 1524 County Road C2 West, Roseville MN 55113. Thank you for helping us keep ministry strong.
