CENTENNIAL COMMUNITY ANNOUNCEMENTS

School Supplies: Church and Society is teaming up with Kids in Need Foundation again this year to provide school supplies for those in need. The Kids in Need Foundation serves students and teachers in schools with a population of 70% or more enrolled in the government's free and reduced lunch program. In a recent survey to their network of educators, 95% of respondents indicated that access to basic school supplies resulted in an equitable learning environment for students. No matter where students are learning from, a traditional classroom or the kitchen table, basic school supplies are necessary for education to continue. Due to COVID19, in lieu of actual school items, the Church and Society Committee is collecting donations only this year for the Kids In Need Foundation. Please send your donation to Centennial United Methodist Church with School Tools on the memo line. Thank you for any help you can give to this program.

The Church Re-Opening Task Force is at work! We are developing protocol to provide a safe and clean environment for all to return to our Roseville and St. Anthony Park campuses. Before we can open our doors for small groups or eventually for worship, we need to meet the many requirements from the state of Minnesota, the Minnesota United Methodist Conference, and our insurance company Church Mutual. Just a friendly but important reminder that our church buildings are closed except for deliveries, repairs, recording of online worship, and essential functions. We need to develop a COVID-19 Preparedness Plan and file it with the UMC leadership in the area. The plan must include many items, for example:

- cleaning and disinfecting the entire building (when supplies are available)
- posting appropriate signage throughout the building with information on social distancing, handwashing and mask use
- determining appropriate protocols for worship in the sanctuary and for activities in other gathering spaces in the church buildings

As people of faith, we believe that we are called to heal a broken world, and this includes racial justice and donating to help relief efforts. Go to [\[CLICK HERE\]](#).
