TOP ANNOUNCEMENTS & EVENTS

Drive in worship: This Sunday, August 16 | 10:00-10:35am | The St. Anthony Park Campus worship team is hosting a drive in worship service at the Roseville campus parking lot. Tune in to the music and sermon through the car radio! We are also collecting food donations for Keystone Food Shelf, so please bring something to share with the community! Safety restrictions include requesting that all attendants remain in their cars with the windows closed. Church bathrooms will be closed to the public (hence the shortened service time). Can't wait to worship with you all.

Roseville Campus worship: The Roseville campus worship team will still be providing worship online through YouTube, the website, and the congregational email this week.

School Supplies: Church and Society is teaming up with Kids in Need Foundation again this year to provide school supplies for those in need. The Kids in Need Foundation serves students and teachers in schools with a population of 70% or more enrolled in the government's free and reduced lunch program. In a recent survey to their network of educators, 95% of respondents indicated that access to basic school supplies resulted in an equitable learning environment for students. No matter where students are learning from, a traditional classroom or the kitchen table, basic school supplies are necessary for education to continue. Due to COVID19, in lieu of actual school items, the Church and Society Committee is collecting donations only this year for the Kids In Need Foundation. Please send your donation to Centennial United Methodist Church with School Tools on the memo line. Thank you for any help you can give to this program.

New Small Groups Starting this Fall – SAP and Roseville campuses will have new small groups starting this fall with a focus on social justice. As always, groups at one campus are available for both campuses. Stay tuned for more details.

Online Course on Race and Racism: The United Methodist Church is offering an online course on race and racism for those who wish to have a fundamental understanding of race and racism from a biblical perspective. It is a self-guided 4 part online class with videos, reflections and activities. The cost for this class is \$39.99 and you can sign up [[HERE](#)]

The Church Re-Opening Task Force is at work! We are developing protocol to provide a safe and clean environment for all to return to our Roseville and St. Anthony Park campuses. Before we can open our doors for small groups or eventually for worship, we need to meet the many requirements from the state of Minnesota, the Minnesota United Methodist Conference, and our insurance company Church Mutual. Just a friendly but important reminder that our church buildings are closed except for deliveries, repairs, recording of online worship, and essential functions. We need to develop a COVID-19 Preparedness Plan and file it with the UMC leadership in the area. The plan must include many items, for example:

- cleaning and disinfecting the entire building (when supplies are available)
- posting appropriate signage throughout the building with information on social distancing, handwashing and mask use
- determining appropriate protocols for worship in the sanctuary and for activities in other gathering spaces in the church buildings

Book Discussion with Pastors & Responding for Racial Justice in the Twin Cities—Sign up with Pastor Brian for Fridays at 2:00 (bhackerlander@centennialumc.org) or Pastor Whitney for Thursdays at 7:00 (wsheridan@centennialumc.org) as they each offer a book discussion of Robin Diangelo’s *White Fragility: Why It’s So Hard for White People to Talk about Racism*. As people of faith, we believe that we are called to heal a broken world, and this includes racial justice and donating to help relief efforts. Go to [[CLICK HERE](#)].
